

LAICH OF MORAY ACTIVE TRAVEL ROUTES DESIGN A LOGO COMPETITION

The Laich of Moray Active Travel Routes SCIO aims to provide outdoor recreation facilities and activities for the local community, and its visitors, by initially establishing an active travel route between Hopeman and Lossiemouth to provide a safe, accessible corridor for wheelers, walkers and cyclists of all ages.

A name was chosen by a public vote and now we need a logo to promote the route campaign at local events.

Draw your design in the box below and the winner will be decided by LoMATR's Trustees on 22 May 2024
